

MADISON

KENTUCKY BLUEGRASS

Madison Kentucky Bluegrass was named after the “Father of Our Constitution” and fourth President of the United States, James Madison. Madison was our first “environmental” president. Therefore, naming a turf variety for him was only fitting. Ironically, Madison Kentucky Bluegrass also happens to flourish on the grounds of his mansion in hot, humid northern Virginia.

(Left): Barry Green II on the lawn at James Madison’s Montpelier mansion in Orange, VA.. The lawn sodded with Madison Kentucky Bluegrass.

(Right): Madison thriving and outperforming its competitors at turf plots in Adelphia, NJ.

VARIETY	9 = Ideal	9 = Ideal
	TURFGRASS QUALITY Knoxville, TN	TURFGRASS QUALITY Amherst, MA
Madison	7.0	5.9
NU Density	7.0	5.5
Nuglade	6.7	5.8
Blue Note	6.9	5.9
Emblem	6.4	5.3
Bewitched	6.6	6.0
Midnight	7.0	5.6
Prosperity	6.4	5.7
Bariris	6.6	5.1
Kenblue	6.6	--

VARIETY	9 = Ideal
	RUST RESISTANCE Raleigh, NC
Madison	8.0
NU Density	7.3
Nuglade	7.3
Blue Note	7.0
Emblem	7.0
Bewitched	6.7
Midnight	6.7
Prosperity	6.7
Bariris	6.3
Kenblue	4.7

(Left and Middle): Madison scores the highest rating for Overall Turfgrass Quality at the National Kentucky Bluegrass Test in Knoxville, TN (2006) and the second highest at the same test in Amherst, MA.

(Right): Madison had the best Rust resistance at the NTEP trials in Raleigh, NC (2006). Madison is resistant to many other diseases, too.
