

PALOMA

KENTUCKY BLUEGRASS

An enhanced variety produced for its overall low-maintenance requirements, PALOMA exhibits excellent drought and disease resilience as compared to competing varieties in today's bluegrass market. PALOMA combines a prominent medium-dark green color, excellent traffic tolerance and an early spring green-up for a desirable quality turf. PALOMA is your ideal choice for any professional turf setting with decreased maintenance requirements.

- LOW MAINTENANCE
- DISEASE RESISTANT
- WEAR TOLERANT
- EARLY SPRING GREEN-UP
- GOOD WINTER COLOR
